

Great Greek Love

*We are working on a project for an artist in which we are making a website for her project named "Great Greek Love". The website will feature the art about the ancient **toys** the ancient Greeks used to play with, **recreated** by our client, and we want to get kids attracted to these toys. Our target group are parents since they will be buying the toys.*

Important note!

This survey is targeted at parents who have kids between the ages of 4-10!
